

THE PRESTIGE CASSETTE

• HD COMMERCIAL GRADE

The Prestige is a modular “full cassette” shading system that is designed to fully protect the unit when retracted. The compact design with clean European-inspired lines, allow the Prestige unit to be mounted on most surfaces and architecturally blend harmoniously with your home. Drop forged cast components and ABT belt arms allow the Prestige system to exceed Class III wind class testing in all unit projections – the highest level in the industry!

- ▼ Awning Widths up to 22' and up to 19' with Drop Shade Option
- ▼ Motorized with full line of electronic enhancements by **somfy**.
- ▼ Awning Projections up to 13'0"
- ▼ Features Advanced Belt Technology® (ABT)
- ▼ Class III wind rating – the highest internationally recognized level
- ▼ Platinum Protection extended warranty coverage included
- ▼ Blocks up to 98% of harmful UV rays
- ▼ Available in white, camel, and spartan bronze
- ▼ Choose from more than 150 long lasting, fade resistant solution dyed acrylic **sunbrella** fabrics to best match your unique décor and style

SPECIAL FEATURES

MOTORIZED DROP SHADE ◀

Add even more solar protection while increasing your privacy with a Drop Shade. This option features an open mesh, sun screen fabric that extends down 38" from the front bar over the width of the awning. The Drop Shade is self storing and completely hidden when not in use. This option is available on 10'0" and 11'6" projections with a maximum width of 19'0".

▶ COMPACT UNIT DESIGN

The Prestige is designed to fit into small places and is less obtrusive than other systems, blending harmoniously into the structure.

IDEAL FOR ROOF MOUNTING ◀

The fully enclosed design of this shading system provides a level of protection against the constant exposure to the elements. The Prestige Cassette has an optional powder coated matching back panel which aids in protecting the fabric, arms and motor from the elements. Your fabric will retain it's beauty for an extended period and will last longer.
